About Bristol Walk Fest

Bristol Walk Fest is an annual festival taking place across the city during the whole of May.

Bristol Walk Fest has been running since 2013 and encourages people of all ages, interests and abilities to walk to enhance their health and wellbeing, and to enjoy being outside in the city.

Bristol Walk Fest brings together dozens of walking providers and local organisations, and coincides with Living Streets' National Walking Month, 1-31 May.

Bristol Walk Fest aims to be the UK's leading urban walking festival, and to raise the profile of Bristol as a walking destination. Our city offers a huge diversity of walks, and we want to celebrate that, while bringing people together in a way that benefits individuals, communities and the environment.

Bristol Walk Fest produces a printed programme and online calendar of walks & events. Past walks have included guided walks, tours, talks, workshops and family events. Walks are curated into different themes including Walking for Pleasure; Nature and Wildlife; Health and Wellbeing; Arts, Culture and History; and Walking Sports.

Walk:Bristol is the mass participation walk & celebration held on the last day of Bristol Walk Fest, with walks starting and finishing at an event village in Castle Park.
