

Bristol Walk Fest Needs You!

There are only a couple of weeks left in which to register for Bristol Walk Fest 2026. We want this to be the biggest year yet, so don't delay, register your walk today and let's give Bristol a festival to remember.

Get your walk in our printed programme

Our registration form is live and can be accessed using the link below. By signing up before the **Friday 27th February**, you'll see your walk included in 8,000 copies of our printed programme.

After this deadline has passed, we'll be working hard to pull everything together into the programme, to be printed and distributed around Bristol at the start of April. More information about programme collection and distribution will follow in subsequent emails to 2026 providers.

Our provider resources page is a fantastic first port of call if you are new to Bristol Walk Fest and thinking about putting on a walk this year. Here, you can find out about the history of Bristol Walk Fest, what it takes to put on a walk, and why one provider keeps coming back, year after year.

For those registered to join us in 2026, we'll be continuing to update this page as the festival progresses, to give you all the resources you need to lead a wonderful walk in May.

If you've missed any newsletters, you can also find them here, in our new newsletter archive.

North Somerset Walk Fest 2026

You've read that right! We have a sister event over in North Somerset that will be taking place throughout May, alongside Bristol Walk Fest.

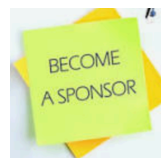

We'll be checking Bristol Walk Fest's registrations as we know some events cross into North Somerset. These events will be included in both programmes. That said, we are sharing the registration link below which can be passed on to any organisations in North Somerset, who'd like to host a walk during the festival.
