

Last Chance to Register

There are now only days left to register for Bristol Walk Fest 2026. Registration closes this Friday, after which we can't include any further events in the printed programme, so don't miss out.

Registration closes **THIS FRIDAY - 27th February**

We want to tell everyone about your event! In order to do so, you need to register using the link below before **this Friday, 27th February**.

After registration closes, we will be busy this weekend pulling everything together to send to our designer, ensuring your walk is featured in the 8,000 copies of our printed programme.

What happens once you've registered?

The first draft of the programme will be created, we'll give it a thorough proofread and when we get version two back, we'll ask all 2026 providers to

check their event(s).

At the same time, all events will be uploaded to our website. Providers will need to check their listings online too so we can ensure all information is correct.

Once the programmes are printed, we'll ask you to collect a bundle to distribute as you see fit. We'll also ask you to help us promote the event online by sharing our socials and tagging us in your own. All key dates for these tasks will be shared in a subsequent newsletter.
