

## Be part of Bristol Walk Fest

As we move into February, we're now drawing closer to our deadline to register your walk, for inclusion in our programme.

### Register your walk/event now

Our registration form is now live and can be accessed using the link below. Registration is easy. Don't just take our word for it, read about one repeat-provider's experience [here](#).

The deadline for registrations is **Friday 27th February**.

### Get your walk in our printed programme

After the registration deadline has passed, we'll be working hard to pull everything together into our programme, to be printed and distributed around Bristol at the start of April. More information about programme collection and distribution will follow in subsequent emails to 2026 providers.

## Fancy advertising in our programme?

Each year, 8,000 copies of our programme make their way to libraries, leisure centres, community hubs, cafes and more, all around Bristol.

Why not consider buying ad space? It's a brilliant way to show your support for our event and your commitment to promoting health and wellbeing, while also putting your message in front of a wide, engaged, local audience.

Prices start at £200.
