

## Thanks For Registering!

Thank you for submitting your walk for this year's Bristol Walk Fest - there wouldn't be an event without out! You're one of 74 providers to have registered a walk. We have 148 walks registered so far and are busy behind the scenes pulling them all together into our printed programme and the online listings.

### Key dates for your diary

Below are two key dates where we need your support. Further, more detailed information will follow in the next newsletter.

#### **18-19th March: Proof reading of programme and online listings**

We will have already given the programme a thorough proof read but ask you to check version 2 to confirm all the information about your walk is correct before we send it to print. At this time the web listings will be live, so we'll also ask you to double check yours.

#### **7-20th April: Programmes and surveys available for collection**

Each provider is allocated a bundle of programmes and surveys which we ask you to collect. This year it will be from Temple Street, BS1 6AX.

Your support in distributing your pack of programmes is hugely appreciated and as always, we urge you to help us get as many participants as possible to complete a survey.

---

## Provider resources

Our provider resources page is a fantastic source of information for all walk providers. We are currently working on updating the content to give you all the resources you need to lead a wonderful walk in May.

We'll soon share a marketing pack too, to support you with promoting your events and BWF as a whole.

If you've missed any newsletters, you can also find them in the resources area, in our new newsletter archive.

## Support us to support you

Share, like and comment on our social media posts, use our online resources, pick up printed programmes and distribute to your networks, complete our surveys, and encourage others to do the same. Tell everyone about your walk and about wonderful Bristol Walk Fest!
