

Your Support Is Important To Us

Thanks to everyone who checked their listings! We're pleased to say that the programme has now gone to print, the website is live and we're ready to start promoting Bristol Walk Fest with all we've got.

Please read the email below as it contains important information.

Collect your surveys and programmes

We ask all providers to support BWF by collecting surveys, and programmes to distribute to their networks.

Where? 100 Temple St, Redcliffe, BS1 6AG

When? From 7th - 19th April inclusive (week days only)

What time? 09:00 - 19:00

Encourage feedback

We urge you to help us to get as many participants as possible to complete a survey. This allows us to improve the event year on year and gives us a case to make funding applications in the future.

There is a prize of a family ticket to the [Cracking Exhibition Gromit](#) at M Shed up for grabs, as an added incentive.

Participant surveys can be accessed in the following ways:

1. Hard copy - walk leaders should collect them from 100 Temple St as above
2. Print your own copies to distribute - find them online [here](#)
3. Refer participants to the online version - [linked here](#)

- Distribute the surveys

We suggest you give out hard copies after your walk or ask participants to [scan the QR code](#) (you can print this) to access the online survey - in either case, please ask them to complete it there and then after your walk.

- Return completed surveys

We ask for walk leaders' support to gather in all completed physical surveys and drop off to any Bristol library as soon as possible. From here, we'll collect them and input the data.

Help us make Bristol Walk Fest a stomping success!

We are very proud of the reciprocal relationships we have with our walk providers. Through BWF, we give you a chance to shine a light on what you do but we still need your help to promote the festival as a whole.

Please support us to support you: share, like and comment on our social media posts, use our online resources, pick up printed programmes and distribute to your networks, complete our surveys, and encourage others to do the same.

Tell everyone about your walk and about wonderful Bristol Walk Fest!

Provider resources and promotional support

We're making the final updates to the provider resources section on our website and will be able to share this with you next week, allowing you to fully promote BWF.
